Presentation Title: _____

Participant Comments: _____

Name: _____

Preparation	
1	I spent more than average time preparing for the presentation. I rehearsed and felt comfortable with the presentation.
2	I spent sufficient time preparing and felt comfortable with the main points of the presentation.
3	I didn't feel well prepared for the presentation. Give reasons:

Knowledge	
1	The materials provided me with the knowledge I needed. I used the content from the course, as well as other sources.
2	I am still developing my content knowledge. I used some of the course materials for the presentation.
3	The materials gave me sufficient information to present.

Presentation	
1	I felt confident presenting the materials. I did not read from notes. I was within the time limit.
2	The presentation ran a little over or under time. I did not need to read from the page. I was engaging.
3	The presentation was not timed well. I looked down too much.

General	
1	Clear presentation. Well planned and developed. Taught key topics and inspired participants.
2	Some problems with clarity and/or organization.
3	Needs work. Comments:
