Discuss

Use these questions to start meaningful conversations about acceptance.

- When have you witnessed someone being excluded or treated differently? What could have promoted acceptance and inclusion in that situation?

Activity

- Explore cultural aspects associated with a language you're interested in learning. Learn about traditions, customs, and holidays celebrated by native speakers of the language to deepen your understanding and appreciation.
- Create a family art project where each member draws or writes about a time when they felt accepted or included by others. Display the finished artwork in your home as a reminder of the importance of acceptance and inclusion.
