Discuss

Use these questions to start meaningful conversations about initiative.

- When have you seen a family member take initiative?
- Why is it important not to wait for others to solve every problem?
- How can taking initiative help a family work better together?

Activity

- Complete an Initiative Challenge as a family. Each family member identifies one task or need around the house and completes it without being asked.
- At the end of the day, share what you noticed, what action you took, and how your initiative helped others.
